

Governance in Healthcare: Bootcamp #7

Bootcamp #7 participating hospitals: Amang Rodriguez Memorial Medical Center, Bicol Medical Center, Caraga Regional Hospital, Dr. Jose Fabella Memorial Hospital, Mayor Hilarion A. Ramiro Sr. Medical Center, Research Institute for Tropical Medicine, San Lorenzo Ruiz Women's Hospital and Valenzuela Medical Center

A year after the Philippine Heart Center was conferred "***Institutionalized***" and given the ***Gold Trailblazer Award*** in culmination of its Performance Governance System (PGS) journey, PHC continues to inspire other hospitals to take on a similar journey with its Governance in Healthcare: Bootcamp #7.

Dr. Gerardo Manzo, PHC Deputy Executive Director for Medical Services, on PHC-PGS Transformation Journey

In partnership with the Institute for Solidarity in Asia (ISA), the participants learned the basics of PGS as they attended the **Module 1: PGS in Healthcare and Getting Started Components of Initiation** on January 29-31, 2019 at the Dr. Aventura Hall.

Mr. Christian P. Zaens, ISA, was the Bootcamp facilitator

PHC led all 8 hospitals to a learning workshop on successful strategy execution of aligned institutional initiatives, goals, breakthroughs, and taking into consideration the direction that the Department of Health (DOH) has set, the **Fourmula One Plus Framework**.

Dr. Lyndon L. Lee Suy, Assistant Secretary – Health Policy and System Development, presented the Fourmula One Plus Framework of DOH

PGS Workshops - Crafting of Strategy Map and Deliverables

Top Management and Senior Officials of the participating hospitals - Amang Rodriguez Memorial Medical Center, Bicol Medical Center, Caraga Regional Hospital, Dr. Jose Fabella Memorial Hospital, Mayor Hilarion A. Ramiro Sr. Medical Center, Research Institute for Tropical Medicine, San Lorenzo Ruiz Women's Hospital and Valenzuela Medical Center - were part of the three-day learning session and presented their workshop outputs to the Panel of Experts.
