HIGHLIGHTS OF ACCOMPLISHMENTS

EDUCATION AND TRAINING

As a training hospital, the Philippine Heart Center continues to offer its specialty training programs and postgraduate courses for doctors, nurses, technicians as well as to general practitioners.

In 2011, close to 10,000 participants completed the medical, nursing and staff development courses. PHC has graduated over 970 physicians who are now practicing as cardiovascular experts in the Philippines and other ASEAN countries.

The PHC was also accredited as an International Training Center by the American Heart Association Life Support.
